LENS NOT INCLUDED

CANON CINEMA EOS-1D C

This is Canon's first hybrid DSLR to offer onboard 4K motion imaging and Full HD motion imaging on CF cards, in a rugged, ultra-compact form. Features an 18.1-megapixel full frame CMOS image sensor that offers a wide range of image acquisition options, including 4K (4096x2160), HD (1920x1080), or 18-megapixel (5184x3456) still images. 4K is recorded as Motion JPEG, HD is recorded as H.264 and still images are recorded as RAW or JPEG. The EOS-1D C exhibits incredible low-light performance and its small size allows it go where other 4K cameras cannot.

ITEM	DESCRIPTION	PRICE

AVCHD

CANON VIXIA HF G20 With a genuine Canon 10x HD Video Lens (30.4mm–304mm), the VIXIA HF G20 delivers simultaneous output to both the viewfinder and the bright 3.5-inch Touch Panel LCD. Records video in 1080p Full HD with improvements to the microlenses and color filters allowing a 20% increase in light capture at each photodiode. Record up to 12 hours of HD video to a 32GB internal flash drive or simultaneously to 2 SDHC/SDXC memory card slots. The HF G20 also offers Pre-Record, a feature that allows users to automatically capture three seconds of footage before they press the record button.

ITEM	DESCRIPTION	PRICE
HF620	Flash Memory Camcorder, 32GB flash, Pre-Record feature	1099.99
SM-V1	5.1 surround mic, optional	241.16

AVCHD

CANON XA20 AND XA25 HD CAMCORDERS Compact, “run-and-gun” HD professional camcorders for ENG-style shoots with enhanced I/O connectivity. With outstanding low-light performance and image quality, the Canon XA20 and XA25 HD camcorders are equipped with a new high-sensitivity 2.91 MP 1/2.84-inch HD CMOS image sensor and the new Canon DIGIC DV 4 image processor. Both feature MP4 & AVCHD codecs up to 1080p60 & dual-band, built-in Wi-Fi technology for easy FTP file transfer and uploading. Has 2 Phantom-powered XLR audio inputs with manual gain control & optional Bluetooth Mic with two-way intercom-like capability. All-new Dual Recording on the XA25 enables you to capture video in different recording formats simultaneously. Wide-angle 20x HD zoom lens features a 35mm equivalent zoom range of 26.8–576mm along with SuperRange Optical Image Stabilization.

ITEM	DESCRIPTION	PRICE
XA20	Professional camcorder, built-in stereo mic, XLR ins, Wi-Fi	1999.00
XA25	As above, with dual recording	2499.00

CANON XF100 AND XF105 HD CAMCORDERS Both cameras use an MPEG-2, 4:2:2 50Mbps XF codec and 1/3" CMOS sensor for capturing video onto dual compact flash cards (up to 64GB each). Uniting video, audio and metadata into a single file, they use an MXF (Material eXchange Format) File Wrapper. The 10x HD L-series lens features a SuperRange Optical Image Stabilizer (OIS) system and has a customizable control ring for focus, zoom or iris. The DIGIC DV III Image Processor ensures natural, lifelike colors and captures shadow detail with accuracy. Both have 3D assist features such as OIS Lens Shift, and a focal length guide. Each model features a 3.5", 920,000-pixel LCD monitor. Both feature a built-in stereo microphone, dual XLR inputs and 16-bit PCM audio at 48kHz. Both models have Mini-B USB 2.0, component & composite out, HDMI, remote control & 1/8" TRS headphone jack. The XF105 adds HD-SDI output, genlock, and SMPTE time code terminals for multi-camera or 3D productions. Each includes battery pack, power adapter, DC cable, wireless controller, component cable & XF utilities disc.

ITEM	DESCRIPTION	PRICE
XF100	Professional camcorder, built-in stereo mic, XLR ins	2499.00
XF105	As above, with HD-SDI out, genlock, timecode	2999.00

XF105

MPEG-2

XF300

CANON XF300 AND XF305 PROFESSIONAL CAMCORDERS Both use an MPEG-2, 4:2:2 50Mbps XF codec for capturing 1920x1080 (three 1/3" CMOS sensors) video onto dual UDMA CF cards. Uniting video, audio and metadata into a single file, they use an MXF (Material eXchange Format) File Wrapper. The 18x HD L-series lens features a SuperRange Optical Image Stabilizer (OIS) system and offers a 35mm-equivalent zoom range of 29.3–527.4mm. The DIGIC DV III Image Processor ensures natural, lifelike colors and captures shadow detail with accuracy. Each model features a 4" 1.23-megapixel LCD monitor. Both feature a built-in stereo microphone, dual XLR inputs and 16-bit PCM audio at 48kHz. The XF300 has Mini-B USB 2.0, component and composite out, HDMI, remote control and headphone input. The XF305 adds HD-SDI output, genlock, and SMPTE time code (in/out) terminals for multicamera or 3D productions. Each includes battery pack, power adapter, DC cable, wireless controller, component cable and XF utilities disc.

JVC

JVC GY-HM150U COMPACT HD 3-CCD CAMCORDER A solid ergonomic design with upgraded features and performance make JVC's GY-HM150U one of the most advanced compact handheld camcorders. New encoder not only delivers improved HD recordings, but adds support for standard definition (SD). Manual controls are now more intuitive than ever with an iris dial next to the lens and a total of 6 user assignable buttons. Dual card recording capability creates an instant back-up copy. The GY-HM150 offers the world's fastest workflow, delivering files that can be instantly edited in all professional level editing systems—all while producing recordings on par with broadcast cameras. This camera is recommended for demanding news and production assignments.

ITEM	DESCRIPTION	PRICE

ProHD

ProHD

JVC GYHM750U COMPACT SHOULDER SOLID-STATE CAMCORDER Designed for ENG/EFP applications, it has a 3rd-gen digital processing engine and records in HD or SD directly to SDHC media. Data rates up to 35Mbps allow 720x480i SD and full HD 1920x1080i 50/60 recording. Dual, hot-swappable recording on SDHC cards provides simultaneous recording for instant backup and sequential recording. A 20-second retro cache prevents "missed shots". Native recording files include Final Cut Pro-ready .MOV, iBase XDCAM EX .MP4 and AVI. Connect the optional KA-AS790 model to provide MPEG2 signal for microwave or long distance cable runs. Includes a HDSDI output, downconverted SD (DV via IEEE-1394), and (2) XLR audio inputs. Includes a Canon 14:1 HD 4.4mm wide-angle lens, a 4.3" LCD monitor, and uncompressed LPCM 2-channel audio recording.

JVC

JVC GC-XA2 ADIXXION FULL HD ACTION CAMERA

The GC-XA2 ADIXXION is the newest JVC action camera that's ready to capture the fun right out of the box. Performance enhancements include 1080/60p, an improved gyro-sensor image stabilizer, expanded viewing angle, enhanced low light performance, upgraded Wi-Fi functions, a 16MP Ultra-Resolution Digital Still mode, and much more. Pocket-sized and weighing barely a quarter pound, ADIXXION is waterproof to a depth of five meters (16.4 feet), shockproof to withstand a fall from two meters (6.5 feet), dustproof and freezeproof, all without the need for a separate housing. In addition, ADIXXION also includes built-in Wi-Fi, 8M back-illuminated CMOS sensor for low-light performance, 1.5-inch LCD monitor and dual standard tripod mounts for use with a wide range of accessories.

ITEM	DESCRIPTION	PRICE
GCXA2BUS	ADIXXION Action Camera, AAC audio, built-in Wi-Fi, software	299.95

TS64GSDXC10	Transcend 64GB Class 10 SDHC card	67.01

ZOOM

ZOOM Q4 HANDY VIDEO RECORDER

The Zoom Q4 combines high-definition video with high-resolution audio, providing everything you need to shoot amazing videos with incredible sound. Its onboard X/Y microphone supports AAC and WAV up to 24-bit/96khz, allowing you to create stunning stereo recordings that cover a wide area while still capturing sound sources in the center with clarity and definition. Use the Q4 to stream your performance, record on the road, or produce a high-quality demo, complete with video footage. From YouTube video to indie film, music video to tutorial, video blog to streamed webcast. The Q4's ultra-compact size and portability make it ideal for video interviews and capturing late-breaking news or documentary footage in the field with WVGA and HD video up to 1080x1920 with 30/60 fps. A wide range of compatible mounts makes it easy to shoot from any angle, giving your broadcasts a creative edge that other cameras simply cannot deliver. Comes with battery, USB cable, windscreens and attachment screw.

ITEM	DESCRIPTION	PRICE
Q4-ZOOM	Video recorder w/removable LCD Panel & cable	299.99
TS64GSDXC10	Transcend 64GB Class 10 SDXC card	67.01

REPLAY XD

REPLAY XD1080 HD ACTION CAMERA

This full HD video action camera is the smallest and lightest on the market and features a water-resistant, hard anodized, rugged aluminum housing. Can be mounted practically anywhere due to its small form-factor and all-round shape. Simultaneously record and stream full 1080p HD through the built-in HDMI output or just stream video straight to an external HD recorder or transmitter. Also features a custom-designed 135° F3.1 (120° F2.8 on the 1080 Mini) wide angle lens & an anti-glare coating to match the 5MP CMOS sensor for better clarity, accurate color, and minimal image distortion. Internal and external audio options. High-strength aerospace aluminum body for extreme durability with double O-ring sealed lens bezel, rear cap, and top push buttons to keep out the elements.
